# GO AFTER GOD

may 31-august 4, 2012

Better than a summer job, a REACH internship is your chance to see where God is already at work abroad and go after Him unconditionally. This can be your opportunity to personally witness how He is already transforming lives and be part of it, guided by CMF personnel on the field.

## requirements

- Complete at least your freshman year of college before the internship.
- Apply ([cmfi.org/REACH](http://cmfi.org/REACH)) by December 19, 2011.
- Raise funds for your internship.

## important dates

**PDO (Pre-Departure Orientation) in Indianapolis:**  
May 31-June 5

**On the Field:**  
June 6-July 31

**Debrief in Indianapolis:**  
August 1-4

### tübingen, germany

In this Globalscope campus ministry, interns will build relationships with German students, help with meals and events, and assist the team with various campus ministry activities.

### abengourou, ivory coast

Interns will build relationships with and help national partners working in Community Health Evangelism in the city and surrounding villages.

### burkina faso

Interns will engage in learning 2 languages, working on the farm resource center, helping with Bible storying, and other team ministry.

### nairobi, kenya

Interns will work in this slum ministry, depending on education and gifting, with a variety of departments – Community Health, Business Development, Spiritual Development – and children in the schools. All interns will work under the guidance and mentorship of the Missions of Hope staff.

### turkana, kenya

Interns will work with development projects (wells and gardens), the training center, English classes, and other team ministry.

### bangkok, thailand

In this Globalscope campus ministry, interns with all sorts of talents will kick-off a new semester by teaching English to children and adults, giving talks at Bible study, cooking meals, leading worship, doing outreach events on campus, building relationships with students through sports and activities.

### nekempte, ethiopia

Interns will help with the launch of a new college ministry. They will focus on building relationships with a handful of college students to equip them as group leaders for a peer discipleship ministry.

### mexico city, mexico

Interns will serve in urban ministries among the poor and middle class, especially with VBS, teaching English, youth work, and other team ministry.

### addis ababa, ethiopia

The urban poor team will partner with Strong Hearts Ethiopia doing programs with the street children. Interns will also be involved in home visits to families affected by HIV/AIDS and leprosy, and attend community cell groups.

### arusha, tanzania

Interns will work in the set-up of a Business as Mission. The initial project is with the Basic Utility Vehicle, a vehicle for use by the poor in Tanzania.

### maasai, kenya

Interns will serve in a variety of ways: train Sunday school teachers, teach missionary kids, help in the clinic system, work in construction/development projects, and instruct church leaders in basic computer skills.

### asia

The team is planning several summer camps in 2012 and wants interns who are crazy about loving on the kids, as well as desire to teach and help! All of the camps are in English.
